

# Mastering Self-Leadership in Healthcare

Reading time:  
Jayson Nagpiing

Last Modified on 06/05/2024 1:50 pm AEST

Join leadership expert Nicole Salter and MIPS Chief Medical Officer Dr. Owen Bradfield in an engaging and interactive webinar as they explore the depths of great leadership. Explore the fundamental principles of self-management and self-leadership to seize control of your personal and professional growth and achievements.

By mastering these principles, you will not only enhance your effectiveness as a leader but will also unlock your true leadership potential. Gain valuable insights, practical strategies, and actionable steps that will empower you to inspire and confidently lead yourself and others. Don't miss this opportunity to learn from industry experts and transform your leadership capability.
