Applying for your desired position necessitates a methodical and determined approach. How do you put yourself in the best possible position to get the job you want? In this session, MIPS provides our insight tailored to dental professionals, imparting information you may not find readily available.

Following this session, you will be able to adequately describe your professional experience and highlight your strengths. It will be easier for you to evaluate what skills are required to excel in any interview, whether in-person or in a remote setting. All of the things you learn here will help you further develop a plan and progress in your career.

Learning objectives

1. Identify pivotal aspects of successful CV writing
2. Understand how an effective CV and cover letter showcase your skills and competencies
3. Explore the breadth of your portfolio and how to enhance it
