It is our pleasure to share the highlights of MIPS' performance for the financial year.

## [Annual Report 2022](#)

The Report tells the MIPS story for the year and what we have achieved for you, our members, our financial results, plans for the future and focused initiatives that will benefit and support members.

At MIPS, we are proud and privileged to support our members. Our focus is on you receiving quality advice and protection to support your professional livelihood and reputation.

MIPS' financial stability continues to sustain our priority of supporting our members as they navigate the ever-changing healthcare landscape. MIPS' ability to protect members' interests, deliver stability, and service claims remains stronger than ever.

We would like to thank our members for their ongoing trust and loyalty.

Regards

Natasha Anning and Gary Speck
