

# How We Help Students

Reading time:

Eleanor Milne

Date created: 24/09/2025

Life as a medical student is full of exciting discoveries – and sometimes, situations you might not expect. In this short video, you'll hear from our Head of Claims Experience, Fiona Bounias, about the types of notifications and claims we receive from students, and how MIPS is here to support you 24/7 with challenges big or small.
