

# How We Help Postgraduates

Reading time:

Eleanor Milne

Date created: 24/09/2025

Starting your career as a doctor comes with plenty of challenges – some you can plan for, and others that might take you by surprise. In this short video, you'll hear from our Head of Claims Experience, Fiona Bounias, about the types of notifications and claims we receive from Postgraduate Year 1 and 2 members, and how MIPS is here to support you 24/7 with unexpected situations big or small.
