

Annual Review: Trends and Outcomes in Medical and Dental Indemnity

Reading time:

MIPS Education

Date created: 11/12/2025

As 2025 comes to a close, join our Chief Medical Officer, [Dr Owen Bradfield](#), for a comprehensive webinar reviewing the key developments and trends that have shaped the medico-legal landscape this year.

This session will cover recent legislative changes, notable disciplinary decisions, and emerging trends affecting indemnity insurance, offering valuable insights into policy updates and practical risk management strategies.

Learning outcomes

By the end of this session, you will be able to:

- Identify the implications of emerging trends in medical and dental indemnity for clinical practice and risk management
- Discuss recent legislative and regulatory changes and summarise their effects on indemnity insurance policies, ensuring compliance and informed decision making.
- Develop actionable strategies to minimise medico-legal risk.
