Testamentary capacity: Medico-legal risks in clinical practice - pre webinar activity

Reading time:
Pamela Ferrada
Date created: 30/04/2026

Section A - Introduction

Listen to the following recording from Dr Owen Bradfield, Chief Medical Officer of MIPS, where he introduces the topic of testamentary capacity and explains why this is an important topic for medical practitioners.

After watching the video, please answer the questions in section B of this CPD activity.
