

# ADHD prescribing: Reviewing Performance and Measuring Outcomes in clinical practice Post Webinar Activity

Reading time:

Pamela Ferrada

Date created: 09/04/2026

Time to complete: 4 hours

This CPD activity is divided in two sections. We expect that completing both sections should take you 4 hours.

**Section A** – (Reviewing Performance - 1 hour)

**Section B** – (Measuring Outcomes - 3 hours) A mini audit of clinical records to measure compliance with medicolegal expectations and professional standards when prescribing ADHD medication.

PLEASE ENSURE THAT YOU DO NOT DISCLOSE IDENTIFYING PATIENT INFORMATION TO MIPS WHEN COMPLETING THIS MINI-AUDIT
