Webinar: What would you do? Clinical supervision dilemmas in medicine and dentistry

Time to complete: 2 hours

Clinical supervision is essential to supporting safe, competent and ethical practice in medicine and dentistry.

This pre-webinar CPD activity is designed to prepare participants for the live MIPS webinar "What would you do? Clinical supervision dilemmas in medicine and dentistry". It includes 0.5-hours of CPD under the educational activity category, followed by a 1.5-hours Reviewing Performance CPD activity.

Participants will work through hypothetical clinical supervision scenarios and complete guided self-reflection questions to evaluate their knowledge, confidence and approach to identifying, assessing and managing risks within clinical supervision.

Please allow approximately 2 hours to complete this activity.
