Webinar: Navigating the New NSW Opioid Prescribing Rules

Time to complete: 1 hour

Instructions.

This Reviewing Performance activity will help clinicians prepare for the new, **"NSW opioid prescribing requirements commencing on 5 November 2026."** It includes 1.0 hour of CPD under the Educational Activities category.

The activity supports reflective practice by encouraging participants to evaluate their prescribing processes, recognise knowledge gaps, and identify opportunities to strengthen safe, compliant, and patient-centred care.

Please allow approximately 1 hour to complete this activity.
